

Gathering in Portugal (filled in by Luis)

Accommodation

Location : Porto, Portugal (12kms from Porto airport)

Capacity : up to 20 people (I think) across 2 houses

Main accommodation provider : Own private house for around 10 people plus guesthouse 200 meters away with capacity for another 10/12 people

Cost : Free for 10 people in the house plus around 25 eur/person/night on double rooms here:

<http://www.booking.com/Share-fo5ETp> (I'd need to know the dates so I can verify availability!

This guesthouse is from a cousin of mine so I will also be able to get a better price, like booking the full house for us during a given period for a much lower price I think)

Meals / F&B : kitchen & cooking amenities free to use, the kitchen is not too big, could be a challenge to cook for 20 people, should be fine for 10 (Rachel, Matt and Pau have been there, maybe we should ask them what they think)

People distribution : as described in Main accommodation provider above

How to get there

By plane : to Porto, Portugal

+ 15 minutes driving from airport to main location

Approx. cost : (roundtrip, dates 4-8 of Nov.)

-> [from London](#) : 20 GBP

-> [from Paris](#) : 60 EUR

Other available options :

There are train connections from central Europe. Not very fast as around central Europe but it is possible taking a night train.

Local transport (during the stay) :

Metro is 3kms away from location.

Private car.

Workplace

Last OFN gathering we used a wifi router and it was enough. We can rent 2 of them for this gathering, it's rather cheap and it has worked all the time I needed.

There is a large living room with space for maybe 10 people with computers (table) and then a few more around in the sofa and chairs. We can have a meeting with 15 people in this room, maybe 20.

There's a smaller room with a large table for maybe 6/8 max people working.

There's an exterior room with space for meetings and relaxation and lots of outdoor space. But it could be cold and raining... or maybe sunny and nice.
